**1. Identification of the substance or preparation**

**Substance group relevant properties:**

metal.  
Material no.: 1.4301 rustproof steel.

**Use of the substance / preparation:**

Bending of clasps and retainers in resin and orthodontic techniques.

**Recommended restrictions of use:**

No special precautionary measures.

**2. Hazard pictograms**

**Classification / labelling:**

No risks worthy of mention.  
Void

**3. Composition/information on ingredients**

**chemical characterization (preparation):**

X5CrNi18-10

**Ingredient (name):**

chemical term:	Symbol:	Share in%:
Carbon	C	= 0,07
Silicon	Si	= 1,00
Manganese	Mn	= 2,00
Phosphorus	P	= 0,045
Sulfur	S	= 0,03
Chrome	Cr	17-19
Nickel	Ni	8,5-10,5
Iron	Fe	Rest

**4. Appearance**

**State of matter:** solid  
**Paint:** metallic  
**Odour:** odourless  
**dimensions:** 0,9 / 1,0 mm  
**Type of packing:** 12 St

**Physical and chemical properties**

**Designation:** \_\_\_\_\_ **Values:** \_\_\_\_\_  
 No further information required.

**5. Exposure controls**

**Occupational exposure controls:**

Does not contain substances above concentration limits fixing an occupational exposure limit.

**Environmental exposure controls:**

practically insoluble

**FINOCLASP J-Clasps 35110 / 35112 / 35120 / 35121****Toxicological information :**

If handled according to specifications and if common valid hygienic rules are observed health endangering effects have not been reported.

**6. Supplemental label elements for certain substances or mixtures****Ordinance on Industrial Safety and Health (BetrSichV).**

--- None

**Water hazard class:**

--- Not hazardous to waters

Waste disposal according to official state regulations.

**7. Classification system**

The classification is in line with current 2.3 DIN 1.4301 / EN10204 by information from technical literature and by information furnished by supplier companies.

**Quality assurance:**

Directive 91/155 EEC; Medical Products according to directive 93/42 EEC and Medical Products Act (MPG) of August 2nd, 1994.

**8. Additional information**

The information is based on present level of our knowledge. It does not, however, give assurances of product properties and establishes no contract legal rights.
